The screenshot shows the HMM21 website interface. The browser address bar displays `www.hmm21.com/cms/business/usa/booking/vgm/index.jsp`. The website header includes a navigation menu with links: Track & Trace, Schedules, Booking, Bill of Lading, and Company Information. A user login section on the left shows the username `CLCLMJMA` with a `Logout` button and a `My Info` link. Below this, a `My Shipment` section displays a table of shipment statistics:

My Shipment	
On Transport(Cntrs)	135
Booking (in 2weeks)	0
B/L (in 2weeks)	0
DEM/DET (Cntrs)	0

At the bottom of this section is a `Sign up for` button. The main content area is titled `VGM Entry`. A confirmation dialog box is open, displaying the message: `www.hmm21.com says: Successfully processed`. Below the message is a checkbox labeled `Prevent this page from creating additional dialogs.` and an `OK` button.
