Re: China 24 Hour Advance Customs Manifest Filing Regulation (CAMS)

Effective January 1, 2010, China Customs enforced their 24 Hour Advance Customs Manifest Regulation which requires all **Carriers only** to **submit** their manifest data **24 hours prior** to the **vessel calling** each origin Port of Loading for all shipments destined to China (excluding Hong Kong & Macau as a direct only).

Please note;

- a) Complete documentation (shipping instructions) presented by the Customer is **due 48 hours prior to vessel departure** at each origin Port of Loading for cargo destined to China (including Hong Kong as a transship port to South China.
- b) All cargo destined or transship via Shanghai, China will require approval to amend the Bill of lading after the documentation cut-off date and maybe subject to additional correction fees and/or customs penalties incurred at destination.

Effective May 1, 2010, Hyundai America Shipping Agency, Inc. **revised** the below surcharges that pertain to the early cargo declaration and/or amendments to the manifest.

Description	Surcharge Code	Amount
Initial Cargo Declaration Data Charge per Bill of lading	AM1	\$30.00 USD
Cargo Declaration Data Correction per Bill of lading per day	AM2	\$40.00 USD

The above charges will apply to all shipments from North America (including Canada) destined to China as a Prepaid charge.

Should you have any questions or comments, please feel free to contact your local Hyundai Representative or our Dallas Customer Service Center.

Respectfully,

Hyundai America Shipping Agency, Inc.
